Building a Team & Delegate to Empower

with **Sai Kumar & Angie Flinn**

Thursday, October 25th
@ 11:30 am in Training Room A

More than any other skillset, today’s world demands professionals with leadership skills. In this seminar, you’ll learn the basics of what it takes to create and lead a team. We’ll also address one of the most difficult tasks facing a leader: *delegation*. Learn how to effectively delegate tasks and responsibilities to the members of your team.

ABOUT OUR SPEAKERS: This session will be a tag-team presentation by two dynamic speakers. Sai Kumar is a Manager at Accenture in their Strategy Group. He holds both a BS and MS in Computer Engineering as well as an MBA. He joined Toastmasters to get comfortable with public speaking, and he stays week-after-week because he continues to learn and grow. Angie Flinn is Manager of eBusiness for Lennox Residential, Commercial, and Hearth Products. In addition to her leadership experience at Lennox, Angie was elected to three consecutive terms of office for Toastmasters in North Texas, which culminated in the post of District Governor. As chief executive officer for this service arm of Toastmasters International, Angie oversaw a budget of \$50,000 and a team of 100 volunteer leaders.
